Cherry Blossom in Japan – Information

Cherry blossom is known as "sakura" in Japanese, and it's the country's national flower. A symbol of renewal and hope, cherry blossom heralds the arrival of spring each year, and you'll see it in abundance **during the regular season, from late March to mid-April**, depending on the location. You can't get a more iconic image of Japan than the view of cherry blossom framing the country's most famous landmark, Mount Fuji. Several spots around the surrounding lakes make perfect vantage points for both blossom and snow-capped volcano.
